Book Details:

Review: Essential reading for anyone interested in interpretation or place based education. This version includes a preface that puts the book into context and provides a biography of Tilden. The main text of the book remains largely unchanged. Several lectures are included at the end. Im glad I got the new version because the additions were very valuable....

Description: Every year millions of Americans visit national parks and monuments, state and municipal parks, battlefields, historic houses, and museums. By means of guided walks and talks, tours, exhibits, and signs, visitors experience these areas through a very special kind of communication technique known as interpretation. For fifty years, Freeman Tildens...
